

Start Saving Utility Dollars Now for Southeastern BOCES School Districts

Networking/Training Meeting

Round Up the Savings...

**to Lasso those
Utility Dollars NOW!**

Please Join Us

Date: October 19, 2004

Time: 9:00 AM -12:30 PM

Lunch provided

Location:

Lamar Community Building
610 S. 6th Street, Lamar, CO

Who's Invited?

School district staff responsible for:

- ❖ Maintenance/grounds/facilities
- ❖ Custodial
- ❖ Budgeting/administration
- ❖ Purchasing
- ❖ Energy Management
- ❖ Transportation

- ❖ **Learn** about no-cost, low-cost strategies to cut your utility budget needs
- ❖ **Learn** how to track utility bills and how to manage energy budgets
- ❖ **Learn** about FREE professional services and resources to help you manage your facilities and utility budgets
- ❖ **Meet** *Rebuild Colorado's* energy engineers who will be on-call, year-round
- ❖ **Meet** school representatives involved with the *Colorado Association of School District Energy Managers* (CASDEM) and the *Colorado School Plant Manager's Association* (CSPMA), organizations that offer additional services.
- ❖ **Share** issues of concern and ideas with your peers and invited speakers
- ❖ **And, Improve** your district's bottom line!

The Governor's Office of Energy Management and Conservation's *Rebuild Colorado* program launched the *Savings Roundup* program for Colorado's small/rural school districts, providing an energy advisor to help implement no-cost/low-cost strategies to reduce energy and water costs. The Southeastern BOCES region districts were the first to participate. As a follow-up, we are hosting a series of training sessions and networking meetings for the region.
